Whaling.

Nobody has denied that the unfortunate hemming in of the Arctic whaling fleet was a great misfortune to Honolulu. Mer-DIRECTOR OF THE GOVERNMENT PRESS chants and traders who had made preparations to supply the wants of the fleet were no doubt greatly disappointed, and of Bruce, and to compel the retirement of Gladtheir losses, taken in the prospective, were stone." very great. They expected a certain amount of trade from the whales, which they could estimate very accurately, knowing as they did the number of vessels engaged in the business in the Arctic, and the number of those vessels which would make Honolulu their port of sumply.

So far as we have learned, the enterto not as Governor of the Island of Oaks during my prise of fitting a large Pacific or Arctic Ocean fleet of whalers has been practically abandoned in New Bedford. A few Noracz is hereby given, that the School House in ships certainly, fitted by some of the most venturesome of those who have prossometive to the next Legislature Assembly, from said perest so long in the business, will be sent into the Pacific and into the Arctic, but so far as large fleets are concerned they will never again be sent from New Bedford or from any Eastern port.

The fact is that the Pacific and Arctic whaling is now in the hands of the commercial people of the Pacific,-to those who are at hand and able to call their cruisers home after every season,-San Francisco or Honolulu, or San Francisco Raver, Esquire, as Consul for the said Empire in this | and Honolulu, must hereafter be the home ports for the Arctic whaler, as New Beds. Bedford and New London have been in the past. They are within easy distance erdered to receive full faith and credit by the authori- from the whaling grounds, and from either port vessels may be fitted and equipped Fearnes Greece, Henoleia, this let day of Jaz- as cheaply as they have formerly been equipped and fitted from the ports in the There seems at present to be a general

Esquire, has been duly authorized to take charge of feeling of distrust as to the chance of prothe Consulate of the German Empire in this Kingdom fits arising from the proceeds of the average catch of oil of late years. The comtherefore, notice is hereby given, that all the nets and petition of certain other oils, not only for doings of the said Johann Carl Pflager, Esquire, in the purposes of illumination but also for the premises, are to be regarded as valid as though lubricating purposes, has had the tendency the same had been done by the Council for whom he to depreciate the price of whale oil, and to render it in a measure unnecessary in comparison to what it was a few years with ago; still, it will always be a necessity the practions of Sec. 182 of the Civil Colle, I do and consequently an object of commerce, hereby establish that, is addition to the usual place vielding to the successful adventurer a for Representatives to the Legislative Assembly, in good return. But some will say, who the District of Honolain, Island of Oabs : to wit, will be the successful adventurer? Who, the front entraces to the Court-house, a second place expending his capital in fitting out vesfor receiving such votes shall be at the rear entrance sels, will be guaranteed a profitable re-Also, for the District of Esnalei, Island of Kanai. turn? We would answer that we believe the School-bouse at Anabola is set apart as a second that so long as the whole, or nearly the place for receiving some for a Representative from whole of what was called the Arctic fleet has been destroyed or rendered useless, the sea will be clear, at least for the next year, to the few who will adventure upon Board of Education, School Agent for the districts of the enterprise. Instead of the hundreds who have heretofore competed with each other in the business, and by their anxiety and rivalry have gone far to drive the leviathan from his home in the polar seas, there will be in the future but a few who various Election Districts of the Kingdom, on the will have all the advantages and opportu-First Montay of February next. The following nities which the many have heretofore in a measure thrown away.

We believe that our enterprising shipowners and merchants do not require other promising commercial enterprise, in order to insure success. Aspractically success, coupled with the enterprise of our capitalists, is amply sufficient to warrant District of Wallake - Court house, Wallake, and us in predicting that in the no distant future Honolulu, instead of being a port of supply to foreign whalers, will become the home port of a large proportion of the vessels which in future years will be disis the time when we can take advantage of a favorable opportunity to start in the business without competition. By enterprise at this time we may avert a calamity and turn what has at first appeared to be a great mistortune into a source of lasting benefit and prosperity to this port and to the country.

Foreign News Summary.

The news brought by the Steamer extends over a period of nearly tour weeks; selections from the telegrams will be found in another column. It will be noted with pleasure that the Prince of Wales is convalencent. He began to mend on the 15th ultimo, and though his recovery is proceeding slowly, he is considered out of danger. The anxiety throughout England during and sympathy for the Royal family was maniof the Court is that a child which had fested so largely that the Queen has gracefully been adopted under the old Hawaiian acknowledged her appreciation of it, by a letter custom, as one's own child, would succeed published in the papers. In it she alludes also to to property as a child of the blood. Jus- her great misfortune, by saying that "the manifestations of the people are nothing new to her, for she met with the same sympathy ten years ago, when a similar iffness to that under which The decisions are interesting reading to her son is now safering, removed from He the

Both great Chicago fire, is charged with having something to do with the Prince's illness for somebody has been informed " on the authority of one who is well posted regarding the secret societies of Europe, that the Prince of Wales was not suffering from typhoid fever, but from attempted poisoning by a secret agent of the International

The Commissioners on the Alabama claims commenced their labors on the 18th of December at Geneva, by a formal meeting, at which "Count. Selessis, Italian member of the Board, was chosen President, and the Commission adjourned until the 13th of January. The case, as made up by The suit of Kininina, et al vs. Henry the United States on one side and by Great Britwritten replies to the other cases with any additional documents necessary. Discussion only contingent on the wish of the parties, as the busi-

ness will be earried on by printed statements." The telegrams report that "the Right Hon. nections for ejectment in favor of collate- Carlin Dennison is about to retire from his posi-

Henry A. Bruce, the present Home Secretary." And also the sensational item that, " alarmed at Gladstone's Republican tendencies, the Conservative section, led by the Duke of Somerset and Viscount Habitax, are seeking to form a coalition with the Tories, for the purpose of electing Beverie Speaker of the House of Commons instead

The world-wide Empire of Great Britain is receiving further accessions of territory; the famous diamond fields of Africa having been recently annexed to the Colonial possessions. This has been done through a treaty with the native chiefs, and it has excited the indignation of Brunde, the President of the Trans Vaul Republic, who issued a formal protest against it. Gold has been discovered in the Republic, and there is some prospect, from the rush of adventurers there, that other political changes may occur in that part of Castle, is proposed.

A telegram from The Hague also informs us that " the Second Chamber of the States General | postponed to January 15th. have adopted the treaty on the recent negotiation with Great Britain, for the transfer of Sumatra to the latter power."

Count Von Beust, the late Austrian Foreign Minister, has presented his credentials from Austria to Ousen Victoria.

The Assembly of France has refused to move from Versailles to Paris. The debate upon the right of the Orleans Princes to their seats in that body, notwithstanding their agreement with M. motion which avoided all advice and responsibility in the matter, and on the following day " the Duke d'Aumale and Prisce de Joinville took their seats in the Assembly; they sat in the centre of the members of the right." The Monarchical hand "eighty of the extreme Legitimists in the Assembly will, it is said secode from the majority of the Monarchical party in case the Duke d'Aumulio is chosen its leader." A grand state dinner has been given by M.

The Store Canal has been offered for sale but

the Sublime Porte and the Khedive of Egypt have relused to become purchasers of it.

Competitive examinations for the Civil Service of the United States is about to be pet into practice. A set of cules have been drawn up by the Commissioners, which have been adopted by the President, and they were put in force on the first day of this year. This is the first step in the Civil Service Reform that has been so earnestly attention of Parliament would be directed to social advocated by its supporters, and which, if carried out in all the appointments, is believed will sweep | people, away the greater part of the evils that now clussystem embraces all appointments except those which are made by the President upon the advice and consent of the Sepate, and certain high officers named in the list of exceptions.

Gen. Sickles has been called from Madrid to soon take place to honor of Sir Charles Ditte. Washington for consultation upon Cuban affairs. The molestation of American vessels in Cuban waters is the ground of the present complaint. The Administration announces that "while it will observe strict neutrality in regard to the difficulties now existing in the Island of Cuba, it Windsor. cannot consent that our merchant vessels shall be molested in their lawful pursuits or overhauled and examined, unless they are found committing some violation of Spanish authority.

ogated as to whether he had ever threatened Fisk in any way. He seemed somewhat embarrassed by the question, but finally said that he had never threatened him otherwise than with legal proceedings. During all the time he was in the Court-room, Stokes was entirely self-possessed, with this exception, and did not in any way being the deadly purpose which he executed two hours after leaving the Court room.

After the proceedings at the Court had terminated, the lawyers engaged in the case came down town and proceeded to lunch at Delmonico's. John R. The lower House of the Reichsrath to-day elected Fellows, Assistant District Attorney, Counsellor Speacer, Stokes, and one or two others, formed a Loydon, Dec. 28 .- The German squadron bound They had just ordered their systems and ere enjoying the meal, when Judge Barnard came in and communicated the fact that the Oyer and Terminer Court had found the indictment against December 29 .- An attempt was made on Sunday Stokes, when, without a word, Stokes rose hurriedly from bls seat and left the room.

Stokes, on leaving Delmonico's, at once proceeded of the Ardennes, to assassinate a corporal and trumpeter belonging to the Bavarian regiment quartered to the Grand Central Hotel, where by some means in that place. The wounds received by the corporal, he had ascertained that Fisk was to call, and passing through the private entrance ascended the stairs. t is believed, will result in death. The German mil-Fish soon after drove up in his carriage to the igntion into the affair. The repeated outrages upon ladies' entrance, passed through the outer door and asked if Mrs. Morse was in, and was answered in the troops in the occupied Departments have caused the negative. He then requested the doorkeeper to see if her daughter was in, and on his being answered | Yes," both proceeded upstairs, Fisk in advance. Panes, Dec. 26.-The Assembly yesterday, after Seven steps from the street there is a small landing; bate, voted as increase of the circulation of the reaching this, Pisk happened to glance upward, and Bank of France to 400,000,000 france. It then adthere saw Stokes standing at the head of the stales, with a pistol in his hand. He rested the pistol on Thiers, during the debate, alluding to the violent bunnister, and, taking deliberate aim, fired anguage used by the Deputies, who were provoked Fisk fell upon the landing, attering the single exby the threats of the Germans, said silones was the clamation "Oh," but immediately got upon his feet best reply to the harsh words of Bismarck. This was agalo, and as he did so Stokes fired agata. Then he ceived with prolonged applause. Thiers expressed staggered, turned as if to take refuge in flight, and his determined opposition to burdening the present partially allding, reached the bottom of the stairs, where he fell.

Stokes, after firing the second shot, walked leisurely away, threw his pistol upon the sofs in the ladies' parlor, went down stairs and attempted to make his escape, but was stopped by some of the men connected with the hotel, and detained till the

Kumt, plying on the Caspsan Sea, foundered in a police arrived. Mrs. Morse, the lady whom Fisk called upon at gers, were drowned. The steamer bad a million of the Grand Central Hotel, is his mother-in-law. A post moview examination took place this evening. The ball which inflicted the fatal wound ntered six loches below the umbilious and an lock Grant, in company with Secretary Bontwell, visited and a half to the right of the median line, passed downward through the omentum and mestnary, passing through two small intestines, and lodged in

the left inquinal region, where it was found about

twenty-two luches from the point of entrance. NEW YORK, Jan. 7. - The following are the provisions of Colonel Fisk's will: Mrs. Hooker, his sister, one hundred thousand in Narraganactt Steamship Company's shares. His father and mother, \$2,000 a year each. To each of the two Misses Morse, be bequeathed \$2,000 a year. To the Ninth Regi ment, \$11,000. This gift was made a week ago, but was legalized last night. To his wife he bequeather the balance of his property of all kinds. To Jay Gould, for whom he entertained the warmest and most dislaterested friendship, be left his personal effects, and trusted to him the labor of love, as it is called in the will, of carrying out all his (Mr. Fisk's) projects in regard to public improvements. Mrs. Fisk inherits all her deceased husband's shares in
